## DOMAIN REGISTRATION AUTHORIZATION

Excaltibur Technology is a full service domain registrar. Please complete this form to reserve domain names. This will provide you with a domain name that can be used at Excaltibur Technology or any other ISP.

By submitting this document, you are authorizing Excaltibur Technology to make new domain name reservations for you or your company and authorize us to be the registrar of record for those domains. This form is for new domain registrations only. If you have an existing domain you wish to transfer to our service, please use our Hosting Transfer Questionnaire form or call our office for assistance.

The cost of registration is \$15 per domain per year. You will be billed per your terms.

Domains will be automatically renewed for the same term once the registration expires.
